PROFILE INFO

Highly motivated and dedicated individual seeking a web development internship position to apply and expand my knowledge and skills in web development, while contributing to the growth and success of a dynamic organization.

EXPERIENCE

SENIOR WEB DEVELOPER

ROHILKHAND INCUBATION FOUNDATION, BAEILLY
03/2023 TO 05/2023

- Developed a responsive website using HTML, CSS, and JavaScript.
- Implemented a user authentication system with encrypted passwords.
- Integrated a database using MySQL to store and retrieve user information.
- Implemented a fully dynamic Blog page with search functionality.
- Also added an admin panel to customize the website.

PROJECTS

Youtube Lite

URL: <https://rb.gy/ro6lc>

- Integrated the YouTube Data API to fetch and display video data, ensuring a close resemblance to the original YouTube platform.
- Implemented front-end using React.js, HTML, CSS, and JavaScript.
- Ensured a responsive and user-friendly interface with cross-browser compatibility.

Startup Website

URL: rifmjpru.com

- Developed a dynamic startup website using HTML, CSS, JavaScript, and PHP.
- Integrated backend functionality, enabling form submissions, and server-side interactions.
- Implemented a blog/news section to share updates, industry insights, and establish your startup as an authority in its field.

Modern Credit Card Site

URL: <https://rb.gy/69pco>

- Implemented an engaging and user-friendly interface, focusing on intuitive navigation and responsive design.
- Utilized best practices in web design to create a visually appealing and cohesive branding experience.
- Optimized website performance and loading speed, resulting in improved user experience.
